1. **Parking Corral Feedback** — The City of San Diego has provided a list of proposed locations for micro-mobility parking corrals in the Uptown area. Phase 1 of the process is focused on the areas along 4th, 5th, and 6th Aves. Similar to what was implemented Downtown, the locations selected were based on utilizing red curb spaces that do not block fire hydrants and visibility, and do not impact the adjacent travel lane width. We will review these locations and provide feedback.
