Information will be presented on the second Draft of the University Community Plan by City of San Diego staff. Since April 2023, City staff has collected feedback on the Discussion Draft Community Plan. This has resulted in a second Draft Community Plan with updated policies, discussion, and figures related to Vision, Land Use, Urban Design, Mobility, Parks & Recreation, Open Space & Conservation, Historic Preservation, Public Facilities, Services, & Safety, and Implementation. City staff will provide an overview of the Draft Community Plan and environmental review process. The project team will answer questions related to the plan update process. The presentation is expected to be about 35 minutes with the remaining time for questions. City staff will present using Zoom.

Feedback on the Draft Plan will be collected from the community through April 29, 2024. At the next scheduled meeting on May 14, 2024, it is expected that the Community Planning Group will be asked to take action, provide additional comments, and make a recommendation for the Draft Community Plan. This will be used to help inform the next iteration of the Draft Plan.

Note: A separate University Community Plan Update Subcommittee meeting will be held on Zoom on April 16 to receive feedback on the plan update from CPUS members, UCPG voting members, and members of the public
