ANNOUNCEMENT

**CANCELATION OF March 25, 2020
MEETING OF THE TECHNICAL ADVISORY COMMITTEE**

The situation surrounding coronavirus (COVID-19) is continually evolving. Following the guidance issued yesterday by Governor Newsom and the California Department of Public Health, DSD has canceled the scheduled March 25, 2020 TAC Meeting.

At this time, we anticipate scheduling a meeting on Wednesday April 22, 2020; however, that date is subject to the conditions at the time. You will receive a notice of the meeting if it is to be held.

As a community, it is important that we stay up to date on the status of coronavirus locally. The County of San Diego's new website sandiegocounty.gov/coronavirus is a good resource, updated each weekday with real-time information on what is happening locally.

If you have any questions, please contact Carmen Silva at (619) 687-5977.

The March agenda had 4 presentations that will be carried over. If you wish to have an item placed on the April agenda, please contact Carmen Silva no later than April 16, 2020

Sincerely,
Kathi Riser
Chair

“To proactively advise the Mayor and the Smart Growth and Land Use Committee on improvements to the regulatory process through the review of policies and regulations that impact development; advise on improvements to the development review process through communication, technology and best business practices to reduce processing times and improve customer service; and to advocate for quality development to meet the needs of all citizens of San Diego.”
