**THE CITY OF SAN DIEGO**  
**AND LA OFICINA INC DBA JOHN MIRELES PHOTOGRAPHY**  
**FOR PHOTOGRAPHY FELLOWSHIP**

THIS Agreement H2326140 [Consulting Agreement], and the incorporated Exhibits A-G, is made and entered into between the City of San Diego, a municipal corporation [City], and La Oficina Inc DBA John Mireles Photography [Artist], for the Artist to provide consulting services to the City.

**ARTICLE I**  
**SCOPE OF SERVICES**

**1.1 Scope of Services.** At the direction of the City, the Artist shall provide services to the City, as described in Scope of Services [Exhibit A], for photo fellowship activities, including research, implementation of a temporary project and creation of artwork in connection with the Exposure, the Project.

**ARTICLE II**  
**DURATION OF AGREEMENT**

**2.1 Term of Agreement.** This Consulting Agreement shall be effective on the date it is executed by the last party to sign the Consulting Agreement and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it shall be effective until completion of the Scope of Services or October 31, 2024, whichever is the earliest but not to exceed five years unless approved by City ordinance.

**2.2 Time of Essence.** Time is of the essence for each provision of this Consulting Agreement, unless otherwise specified in this Consulting Agreement.

**2.2.1** Unless otherwise specified herein, time is of the essence for each and every provision of the Consulting Agreement. Artist must immediately notify City in writing if there is, or it is anticipated that there will be, a delay in performance. The written notice must explain the cause for the delay and provide a reasonable estimate of the length of the delay. City may terminate this Consulting Agreement as provided herein if City, in its sole discretion, determines the delay is material.

**2.2.2** If a delay in performance is caused by any unforeseen event(s)

beyond the control of the parties, City may allow Artist to a reasonable extension of time to complete performance, but Artist will not be entitled to damages or additional compensation. Any such extension of time must be approved in writing by City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the performance; inability to obtain materials, equipment or labor; or other specific reasons agreed to between City and Artist. This provision does not apply to a delay caused by Artist's acts or omissions. Artist is not entitled to an extension of time to perform if a delay is caused by Artist's inability to obtain materials, equipment, or labor unless City has received, in a timely manner, documentary proof satisfactory to City of Artist's inability to obtain materials, equipment, or labor, in which case City's approval must be in writing.

**2.3 City's Right to Terminate for Convenience.** The City may, at its sole option and for its convenience, terminate all or any portion of the Scope of Services agreed to pursuant to this Consulting Agreement by giving written notice of such termination to the Artist. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Scope of Services shall be effective upon receipt of the notice by the Artist. Artist will be entitled to fair and reasonable compensation for all services completed in compliance with this Consulting Agreement prior to the notice of termination. In the event that the City terminates this Consulting Agreement pursuant to this Section, the City shall have no right to use the Artist's work-product or services to complete and display the artwork absent the written consent of the Artist.

**2.4 City's Right to Terminate for Default.** If the Artist fails to satisfactorily perform any obligation required by this Consulting Agreement, the Artist's failure constitutes a default. A default includes the Artist's failure to adhere to the Schedule of Work given in **Exhibit D** attached hereto. If the Artist fails to satisfactorily cure a default within ten calendar days of receiving written notice from the City specifying the nature of the default, the City may immediately cancel and/or terminate this Consulting Agreement, and terminate each and every right of the Artist, and any person claiming any rights by or through the Artist under this Consulting Agreement. The rights and remedies of the City enumerated in this section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Consulting Agreement. Nor does this section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Consulting Agreement or hereinafter enacted or established, that may be available to the City against the Artist.

### **ARTICLE III COMPENSATION**

**3.1 Amount of Compensation.** The City shall pay the Artist for performance of all Services rendered in accordance with this Consulting Agreement, including reasonably related expenses, a total contract amount not exceeding \$75,000, broken down as follows: \$25,000 allocated to artist fees and \$50,000 allocated for all costs associated with the development and execution of temporary project and production of permanent artwork.

**3.2 Manner of Payment.** The City shall pay the Artist according to the Compensation and Fee Schedule attached hereto as **Exhibit C**. For the duration of this Consulting Agreement, the Artist shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in 3.1. The Artist shall submit invoices in accordance with the Compensation and Fee Schedule, which shall include a description of completed services. The City will pay undisputed portions of the invoice within 30 calendar days of receipt.

#### **ARTICLE IV ARTIST'S OBLIGATIONS**

**4.1 Industry Standards.** The Artist agrees that the services rendered under this Consulting Agreement shall be performed in accordance with any standards, if such standards exist, customarily adhered to by an experienced and competent professional Artist using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City Council, Mayor, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Artist of responsibility for complying with all applicable laws, codes, and good consulting practices.

**4.2 Maintenance of Records.** The Artist shall maintain books, records, logs, documents and other evidence sufficient to record all actions taken with respect to the rendering of the Scope of Services, throughout the performance of the Scope of Services and for a period of 10 years following completion of the Professional Services for the Project. The Artist further agrees to allow the City to reasonably inspect, copy, and audit such books, records, documents and other evidence.

**4.3 Insurance.** The Artist shall not begin any work under this Consulting Agreement until the Artist has: (a) obtained, and upon the City's request provided to the City, insurance certificates reflecting evidence of all insurance required in below; however, the City reserves the right to request, and the Artist shall submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each insurance company or companies; and (c) confirmed that all policies contain the specific provisions required below. However, failure to obtain the required documents prior to the Professional Services commencing shall not waive Artist's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this Agreement, at any time. The Artist's liabilities, including but not limited to the Artist's indemnity obligations, under this Consulting Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Consulting Agreement and the Artist's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Consulting Agreement may be treated as a material breach of contract by the City. The Artist shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Consulting Agreement.

**4.3.1 Types of Insurance.** At all times during the term of this Consulting Agreement, the Artist shall maintain insurance coverage as follows:

**Commercial General Liability.** The Artist shall keep in full force and effect Commercial General Liability (CGL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$ 1 million per occurrence and subject to an annual aggregate of \$2 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

**Workers' Compensation.** For all of the Artist's employees who are subject to this Consulting Agreement and to the extent required by the applicable state or federal law, the Artist shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the Artist shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

**4.3.2 Deductibles.** All deductibles on any policy shall be the responsibility of the Artist and shall be disclosed to the City at the time the evidence of insurance is provided.

**4.3.3 Acceptability of Insurers.** Except for the State Compensation Insurance Fund, all insurance required by this Consulting Agreement shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the City. The City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

Any insurance maintained by the City and its elected officials, officers, employees, agents and representatives shall be in excess of the Artist's insurance and shall not contribute to it.

**4.3.4.2 Workers' Compensation and Employer's Liability Insurance Endorsements**

**WAIVER OF SUBROGATION.** The Workers' Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against the City and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the named insured for the City.

**4.3.5 Reservation of Rights.** The City reserves the right, from time to time, to review the Artist's insurance coverage, limits, deductible and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Artist for the cost of the additional premium for any coverage requested by the City in excess of that required by this Consulting Agreement without overhead, profit, or any other markup.

**4.3.6 Additional Insurance.** The Artist may obtain additional insurance not required by this Consulting Agreement.

The Artist shall not discriminate against any employee or applicant for employment on any basis prohibited by law. The Artist shall provide equal opportunity in all employment practices. The Artist shall ensure that its sub-consultants comply with the City's Equal Opportunity Contracting Program Consultant Requirements. Nothing in this section shall be interpreted to hold the Artist liable for any discriminatory practice of its sub-consultants. The Artist's hiring

or retaining of any sub-consultant to perform services is subject to prior written approval by the City. Should the Artist retain sub-consultants with the City's written approval, the Artist shall comply with all Equal Opportunity Contracting requirements. For applicable rules and forms see <http://www.sandiego.gov/eoc/index.shtml>.

The Artist shall provide equal opportunity for sub-consultants to participate in sub-consulting opportunities. The Artist understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, and other sanctions. This language shall be in contracts between the Artist and any Sub-consultants, vendors and suppliers.

**4.6.2 Compliance Investigations.** Upon the City's request, the Artist agrees to provide to the City, within 60 calendar days, a truthful and complete list of the names of all sub-consultants, vendors, and suppliers that the Artist has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by the Artist for each subcontract or supply contract. **6.2 Independent Consultants.** The Artist and any Sub-consultants employed by the Artist shall be independent consultants and not agents of the City. Any provisions of this Consulting Agreement that may appear to give the City any right to direct the Artist concerning the details of performing the Scope of Services, or to exercise any control over such performance, shall mean only that the Artist shall follow the direction of the City concerning the end results of the performance.

Upon the Project Manager's approval of the Artist's plan for remedying defects, the Artist must promptly remedy the defects and issue the Project Manager a notice of completion for the defect remedy. The Artist must not proceed with any work in this Scope of Services until the Project Manager issues the Artist a notice of approval for the defect remedy.

**A.11 Research, Planning, and Project.** The Artist will serve as the Exposure Photo Fellow for the City's "Welcoming San Diego" initiative. The Artist will develop a work plan and evaluation plan in collaboration with Project Manager that outlines and will document the process, approach, and lessons learned. The Artist must conduct field research related to the City's "Welcoming San Diego" strategic plan, review pertinent information, and meet with City and its designees. Artist may also engage with relevant stakeholders and advisors for guidance in engaging and building trust with immigrant and host communities, particularly at-risk and sensitive populations in neighborhoods identified by the City as "communities of concern." This research process will reveal social, political, and economic dynamics at play and the Artist will play an important role in capturing the human, personal narratives that exist within city of San Diego immigrant communities. Through an iterative process and informed by the research, the Artist will develop a temporary Project that supports the City's "Welcoming San Diego" initiative using artistic and journalistic lens-based approaches for implementation after the research period. The Project must include, but is not limited to, a public project concept, timeline, public engagement strategies or participatory opportunities, implementation plan, and description of the representative body of photographic artwork for inclusion in the City's Civic Art Collection at the conclusion of the fellowship. Throughout the development of the Project, the Artist must meet with City staff in order to understand the Exposure program as a whole, and the programmatic uses of the Project as it relates to the Exposure program, to define goals appropriate to the immediate physical, social, and cultural environment of the Project and artwork, and to develop and refine the Project and artwork's content. Artist will make refinements based on the input received from City during this process. Artist's proposed site(s) for Project must be included in Artist's Preliminary Idea described in section A.12, however, proposed site(s) will require City's verification that the site(s) is (are) within the City's jurisdiction and is (are) available and feasible for potential implementation, prior to Preliminary Idea submittal.

**A.12 Preliminary Idea.** The Artist will present Artist's exploration of Project ideas, proposed specific site(s) for Project and artwork ideas to Project Manager (Preliminary Idea). Project Manager may request Artist to present the Preliminary Idea using a presentation format of Artist's choice sufficient to provide the group(s) of people representing the City, its constituents, or both with a clear understanding of the proposed idea(s). Examples of acceptable presentation formats include drawings, images, and brief written narratives and other means as approved by the Project Manager.

**A.12.1 Reviewing Bodies.** The reviewing bodies may include, but are not limited to, the City of San Diego Commission for Arts and Culture (Commission), its Public Art Committee, the City's Office of Immigrant Affairs, and the City's Development Services Department. (Reviewing Bodies) The Reviewing Bodies will be assembled by the Project Manager to review and approve the artwork proposal and its requirements at various stages of development.

**A.12.2 Review Process.** The Project Manager and other members of City staff may review the Preliminary Idea and require that the Artist make modifications to it before permitting its submission to the Reviewing Bodies. The Artist agrees to address the Project Manager's and City staff members' comments and modification requirements prior to submitting it to the Reviewing Bodies for approval. The Reviewing Bodies may review and make recommendations about the Preliminary Idea. The Reviewing Bodies may recommend approval, approval with conditions, or disapproval of the Preliminary Idea. In the event that the Reviewing Bodies recommend disapproval, or approval with conditions, the Artist, upon written notification from the Project Manager, must respond to the Reviewing Bodies' comments in writing and submit a revised Preliminary Idea to the Project Manager for review. The Reviewing Bodies may review the revised Preliminary Idea and make additional recommendations until the Preliminary Idea is approved by the Reviewing Bodies.

Nor may the Artist make an adjustment, which requires a modification of the approved Construction Documents without the prior written approval of the Project Manager.

**A.15.1.2 Material Deviation.** Any material deviation from the Approved Proposal or the approved Construction Documents in the scope, design, color, size, material, utility, and support requirements, texture, or location of the Project, must be approved in writing, and in advance, by the Project Manager before the Artist proceeds with completion of the Project.

**A.15.1.2.1 Material Deviation Further Defined.** Without limiting the generality of the foregoing, material deviation also includes any change from the Approved Proposal or the approved Construction Documents, which affects the fabrication, delivery schedule, implementation, maintenance, or operation of the

acceptance from the City, any theft, damage or vandalism, personal injury, or acts of God or nature, affecting or relating to the Project, are the Artist's responsibility, including, but not limited to, any loss occurring during the fabrication, storage, transportation, delivery, or implementation of the Project. Notwithstanding the foregoing, the Artist is not responsible for any damage to the Project arising from the sole negligence or willful misconduct of the City, its agents, employees, representatives, and contractors. At the City's sole discretion, the City's liability for damage to any tangible, physical artwork is limited to the actual documented cost of repair, or the documented replacement cost of the Project, whichever is less. The City will not be responsible for physical loss or damage to the Project resulting from acts of God or nature, nor will the City be responsible for physical loss or damage to third parties' property or persons as a result of loss or damage to the Project under such conditions.

**A.21 Errors and Omissions.** The City's acceptance of the Project and artwork will not release the Artist of the responsibility for the correction of errors or omissions in the Approved Proposal, the approved Construction Documents, or the Project and artwork, including any errors or omissions which arise from the Artist's errors or omissions, or the errors and omissions of the Artist's employees, agents, representatives, or sub-consultants regardless of whether these errors or omissions were the result of unforeseen circumstances at the time of development or approval.

## ADDITIONAL PROVISIONS

**B.1 Incapacity or Death.** If the Artist becomes unable to complete the Consulting Agreement due to incapacitation or death, such incapacity or death will not be deemed a breach of the Consulting Agreement or a default on the part of the Artist. However, nothing in this section will obligate the City to accept the proposal or resulting Project and artwork.

**B.1.1 Incapacity.** In the event of the Artist's incapacity, the City may elect to terminate the Consulting Agreement or the City may assign the Artist's obligations and the Scope of Services under the Consulting Agreement to another Artist or consultant for completion, which will be in accord with the designs and specifications previously approved by the City, if any, provided that the original Artist or the Artist's designee approves of the new artist or consultant (such approval must be provided within a reasonable amount of time, otherwise such approval requirement will be deemed waived), and the new artist or consultant agrees in writing to comply with the Consulting Agreement. In the event that the City makes repairs or restorative conservation not approved by the Artist, the Artist will have the right to disown the artwork as the Artist's creation and request that all credits be removed from the artwork and reproductions thereof.

**B.9.1 Standards of Repair and Conservation.** All repairs and restorative conservation, whether performed by the Artist, the City, or by third parties responsible to the Artist or the City, must be made in accordance with professional conservation standards and in accordance with the maintenance manual provided to the City by the Artist pursuant to Section A.16.5 of Exhibit A to the Consulting Agreement.

**B.10 Sale or Donation of the Artwork by the City.** The City will have the right to donate, sell, transfer, or exchange the artwork. Before exercising this right, the City, by written notice to the Artist at the Artist's last known address, agrees to give the Artist the opportunity to purchase the artwork for the greater of the fair market value as determined by a qualified appraiser or the amount of any offer that the City has received for the purchase of the artwork plus all costs associated with the removal of the artwork from the site, clean-up of the site, and delivery to the Artist. For the period of time that starts on the date the City issues the notice of artwork acceptance and ends 25 years after the date of the Artist's death, the Artist or the Artist's designee must consult on and approve any new location(s) for the artwork. If the Artist does not approve of the new location(s) in the good faith belief that the relocation of the artwork will harm the Artist's reputation, the Artist will have the right to disavow the artwork. In the event that the Artist disavows the artwork, the City will have the right to donate, sell, transfer, or exchange the materials that comprise the artwork, and the City will be prohibited from representing that the materials represent an artwork by the Artist. The Artist will have 30 days from the date of the City's notice to exercise the Artist's option to purchase the artwork.

**B.11 Alterations, Modification, or Removal of Artwork.** The Artist and the City acknowledge that the Artist may have certain rights under the federal Visual Artists Rights Act of 1990 (VARA). The Artist agrees that City has the right to move, remove, or otherwise alter or modify the artwork, except that the City will not move,

remove, or otherwise alter or modify the artwork solely for aesthetic reasons or solely in response to changes in public taste. If the artwork cannot be moved, removed, or otherwise altered or modified without causing the artwork destruction, distortion, mutilation, or other modification, then the City agrees to give the Artist 90 calendar days notice of its intended action affecting the artwork, except in cases where a threat to public safety requires immediate removal. In such notice, the Artist will be offered the opportunity to acquire the artwork for the cost of removal.

**B.11.1 Limited VARA Waiver.** In consideration of the mutual covenants and conditions in the Consulting Agreement, and except as otherwise provided for in the Consulting Agreement, the Artist agrees to waive any right that the Artist or the Artist's heirs, beneficiaries, devisees, or personal representatives may have under VARA to prevent the removal of the artwork, or the destruction, distortion, mutilation, or other modification of the artwork which arises from, is connected with, or is caused or claimed to be caused by the removal, repair, conservation, maintenance, or storage of the artwork by the City or its elected officials, officers, employees, agents, or representatives, or by the presence of the artwork at the site.

**B.11.2 California Civil Code Section 987 Waiver.** The Artist and the City acknowledge that the Artist may have certain rights under California Civil Code Section 987 which are not preempted by VARA. In consideration of the mutual covenants and conditions in the Consulting Agreement, the Artist waives any rights which the Artist or the Artist's heirs, beneficiaries, devisees, or personal representatives may have under California Civil Code Section 987 to prevent the removal, defacement, mutilation, alteration, or destruction of the artwork.

**B.12 Rights of Artist's Heirs, Successors, and Assigns.** The Artist's VARA and California Civil Code Section 987 rights under the Consulting Agreement cease with the Artist's death and will not extend to the Artist's heirs, successors, or assigns.

**B.13 Conflict.** The terms of the Consulting Agreement and this **Exhibit B** are intended to replace and substitute for the rights of the Artist under VARA and California Civil Code Section 987 to the extent that any portion of the Consulting Agreement is in direct conflict with those rights. The parties acknowledge that the Consulting Agreement supersedes those laws to the extent that the Consulting Agreement is in conflict therewith.

**B.14 Sub-consultants: Ownership of Documents.** The Artist must require each sub-consultant to agree that copies of designs, plans, specifications, reports, documentation, and other informational materials, whether written or readable by machine, originated or prepared for the City pursuant to the Consulting Agreement will become the property of the City. The Artist or sub-consultant must deliver such documents to the City whenever reasonably requested to do so by the City. This language must be in contracts between the Artist and any sub-consultants.

**B.15 Sub-consultants: Transfer of Title.** The Artist must require each sub-consultant to agree that title to the artwork will pass to the City upon the City's written final acceptance and payment for the artwork pursuant to **Exhibit A** to the Consulting Agreement. This language must be in contracts between the Artist and any sub-consultants.

## EXHIBIT B

**B.16 Sub-consultants: Copyright Ownership.** The Artist must require each sub-consultant to agree that the Artist retains all rights to the artwork under the Copyright Act of 1976, 17 U.S.C. § 101 et seq., as the sole artist and author of the artwork for the duration of the copyright. This language must be in contracts between the Artist and any sub-consultants. If a sub-consultant's work is not deemed a work-for-hire, the Artist must require said sub-consultant to assign all rights to the Artist.

### DEFINITION OF "CONSULTANT"

2 California Code of Regulations defines a "consultant" as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
1. Approve a rate, rule or regulation;
  2. Adopt or enforce a law;
  3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
  4. Authorize the City to enter into, modify, or renew a contract provided it is the type of contract that requires City approval;
  5. Grant City approval to a contract that requires City approval and to which the City is a party, or to the specifications for such a contract;
  6. Grant City approval to a plan, design, report, study, or similar item;
  7. Adopt, or grant City approval of, policies, standards, or guidelines for the City, or for any subdivision thereof; or
- (B) Serves in a staff capacity with the City and in that capacity participates in making a governmental decision as defined in Regulation 18702.2 or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

An individual "serves in a staff capacity" if he or she performs substantially all the same tasks that normally would be performed by staff member of a governmental entity. In most cases, individuals who work on only one project or a limited range of projects for an agency are not considered to be working in a "staff capacity." The length of the individual's service to the agency is relevant. Also, the tasks over the relevant period of time must be substantially the same as a position that is or should be specified in the City's conflict of interest code.

An individual "participates in making a governmental decision" if he or she: (1) negotiates, without substantive review, with a governmental entity or private person regarding the decision; or (2) advises or makes recommendations to the decision-maker, by conducting research or an investigation, preparing or presenting a report, analysis or opinion which requires the exercise of judgment on the part of the individual and the individual is attempting to influence the decision.
