REO DRIVE REVITALIZATION PROJECT

This plan provides a simple vision and implementation strategy for revitalization of the Reo Drive commercial center between Albemarle and Cumberland in the heart of the Paradise Hills

BACKGROUND

Paradise Hills is located in the southeastern portion of the City of San Diego and is within the Skyline-Paradise Hills community planning area. It is bordered by the South Bay Freeway (SR-54), the San Diego City limit, Paradise Valley Road, Potomac Street, Dusk Drive and Alta View Drive.

Paradise Hills is a predominantly low density residential community with detached single-family development being the dominant land use. Multi-family housing includes a naval housing project near the northern boundary at Paradise Valley Road and a mobile home park in the southwest corner of the neighborhood. The neighborhood has commanding views of Coronado, downtown San Diego, the San Diego Bay and the mountains. These residential developments are laced with small canyon and hillside views accommodated by curvilinear local streets.

The neighborhood has a small shopping center located on Reo Drive between Albemarle and Cumberland Streets. The Paradise Hills branch library is currently located at the corner of Reo Drive and Rancho Hills Drive. Plans call for a new two storey library next to the post office in the shopping center. Paradise Hills has two major park sites within its boundaries, the Parkside Neighborhood Park at the southern end and the Paradise Hills Community Park and Recreation Center at Paradise Valley Road and Potomac Street.

DEMOGRAPHICS

Population- According to the census, 17,088 persons lived in Paradise Hills on April 1, 1990. Thirty-three percent were under age 18 and eight percent were 65 years and over. The median age was 29.3 a little less than the San Diego City-wide median age of 30.7 years.

Race, Origin, Ancestry- Paradise Hills is a diverse neighborhood with a population of 45% White, 28% Hispanic, 26% Asian or Pacific, 11% African American, and 1% American Indian, Eskimos, or Aleuts.

Home Ownership- Of the 4,678 occupied housing units in Paradise Hills, 65% are owner occupied and 35% are renter occupied.

THE REVITALIZATION PLAN PROCESS

Under the leadership of the Paradise Hills Community Association and the newly-formed Paradise Hills Merchants Association, the City of San Diego's Community and Economic Development Department collaborated with the New School of Architecture to prepare the Reo Drive Revitalization Plan.

Beginning in September of 1997, for a period of ten weeks, eight fourth-year students of architecture collected data on the project site, conducted field work, and met with local residents and merchants to prepare the Revitalization Plan, under the supervision of City Planning staff.

THE REVITALIZATION PLAN

The Reo Drive Revitalization Plan provides a simple vision and implementation strategy for rehabilitation of an older commercial strip development on Reo Drive in the heart of the Paradise Hills neighborhood. The 3.34-acre area includes the east and west sides of Reo Drive between Cumberland and Albemarle Streets. The existing commercial development includes markets, retail stores, a barber shop, a beauty salon, restaurants, professional services and a postal substation.

The Plan proposes the installation of various public improvements and provides ideas for private development improvements which are identified on the site plan.

Skyline - Paradise Hills Planning Group

You can *finally* make a difference!

- ▶ Did you know there is an official, approved community plan for our neighborhoods?
- ▶ Did you know you can have a "hands on" impact on the decisions of the San Diego Planning Commission as regards our Skyline-Paradise Hills area?
- ▶ What do you want your city to look like tomorrow, next week, next year--next century?

The Skyline-Paradise Hills Planning Committee was created by the city and is made up of residents and neighbor-volunteers from our community who are willing to meet on the 2nd Tuesday of every month at 7 P.M. at the Paradise Hills Rec Center, 6610 Potomac Street, San Diego, CA 92139.

Our job is to consider, recommend and advise on matters relating to zoning (building and property improvements), zoning violations, street conditions, traffic signals and controls (speed bumps, etc.), code enforcement, conditional-use permits (that control number and kinds of businesses that may operate in our community), as well as many other ordinances and plans that can directly effect our security, safety, property values and the quality of life in our neighborhoods.

We need residents of every race, culture and ethnic background in our several and diverse communities to serve and to voice their individual interests, concerns, special problems and opinions so that our Skyline-Paradise Hills area may be truly representational of our attitudes, desires and values in the recommendations we send to the San Diego City Planning Commission and our City Council.

Please attend a meeting and join us!

Help make a difference.

MEETING TIME: SECOND TUESDAY OF EVERY MONTH AT 7:PM
AT THE PARADISE HILLS RECREATION CENTER 6610 POTOMAC STREET
