DISCOUNT OFF MANUFACTURER'S LIST PRICE

The City desires to purchase products listed, as well as other products not specifically listed throughout the term of this contract. As new items become available in the designated product lines, they too will become a part of the contract and will be subject to the same discount offered. The most current Manufacturer's List Price will be used to determine pricing during the contract period. Contractor shall provide price updates and catalogs as new items become available, or at any time they are updated within two (2) weeks of publication.

Bidder shall indicate below the percentage discount off the Manufacturer's List Price at time of order that will apply for items not specifically listed. This information will not be considered in the award evaluation.
