SUBJECT: Appointments to the Mission Bay Park Committee

---

It is my pleasure to appoint Dr. Judith Muñoz and Ms. Stephanie Smith to the Mission Bay Park Committee.

Dr. Muñoz has more than 30 years executive level experience, she retired from the Scripps Research Institute as its Vice President. She served as a member of the San Diego Humane Society's Board of Trustees from 1996 to 2009, its Chair for seven years, and most recently as the interim president. Dr. Muñoz received a Doctorate in leadership studies from the University of San Diego and her master's degree in counseling psychology from the University of Oregon.

Ms. Smith is a land use and CEQA attorney for Grid Legal. She was previously senior deputy for San Diego County Counsel, where she advised the County Park and Recreation Department, drafted agreements between public agencies for the joint maintenance of parks, and advised staff on the Endangered Species Act, Brown Act, and Public Records Act compliance. Ms. Smith received a Juris Doctor from Pepperdine University School of Law and Bachelor of Arts degree in international studies from University of Washington.

I am confident they will bring valuable experience and expertise to the Mission Bay Park Committee and I would like to thank them for their willingness to serve in this capacity.
